

Sale Overview Memo

Project Fuse

Business Opportunity

An opportunity exists to purchase the intellectual property surrounding a property electrical system designed to assist the prevention of property electric fires.

It is intended that a sale will be executed at the earliest opportunity and all offers must be registered by no later than **midday (12:00) Friday 23rd October 2020**.

- Overview**
- The client has developed a system which helps to prevent electrical fires caused by poor wiring in commercial and domestic buildings.
 - Several years of development
 - The system is compliant with wiring regulations and may offer a cost-effective solution.

Assets for Sale

Intellectual Property supporting the product (where available)
