

# DOMAIN SALE

## payondemand.com

SIA have an excellent opportunity to acquire the payondemand.com domain name. This domain is likely to be of interest to parties within the financial services industry, with potential uses including payment processing platforms, banks & money transfer platforms, and on-demand payment providers.

An acquisition of this domain offers a number of potential benefits, including reinforced brand identity, direction of search traffic to an existing website and improved SEO ranking.

Please get in touch with Matt Huntley for further details.
