

# PROJECT LOOP

## BUSINESS OVERVIEW

The UK headquartered topco, established in 2010s, provides off-grid clean energy solutions to underserved populations, primarily across Sub-Saharan Africa. It operates a vertically integrated model encompassing product design, software, financing and last-mile delivery. Offerings include home solar systems, small scale appliances and flexible financing arrangements.

## OPPORTUNITY HIGHLIGHTS

- Growing footprint in a number of African countries (through subsidiaries)
- Reached over 2 million end users
- Collected over 1 billion data points

## ASSETS AVAILABLE

- Proprietary digital platform to monitor system performance and manage payments
- Shareholding in subsidiaries
- Patent portfolio
- Trade mark portfolio
- Computer and office equipment

## DEADLINE

Deadline for final offers set for **12pm on 14 May 2025**.

## FURTHER INFORMATION

Requests for further information should be addressed to Emily Muir or Molly Greenhow of SIA Group who are acting as agents. Contact details have been provided.

Access to additional information will be provided on receipt of signed NDA. All offers to be supported by proof of funding.
