

PROJECT HARRIS

BUSINESS OPPORTUNITY

An excellent opportunity exists to invest in or acquire the business and assets of an established and independent post production facility that specialises in high-end theatrical and high-end television. The company operates as a full service post production facility specialising in colour grading, sound, deliverables and workflow design for both domestic and international clients. The company trades from two offices in the city of London and currently the business employs eight members of staff.

BUSINESS OVERVIEW

The company retains a reputation for high-quality post production with an extensive list of credits. With an aim to maintain a quality and bespoke handling of a project from start to end and an understanding of the importance of supporting producers by being flexible, proactive, and solution-focused, it has allowed the business to tackle complex and rewarding material across a variety of schedules, budgets and subjects.
